

Peace On Earth

SUN BEAMS

By WALTER M. BARRETT

As you turn the pages of your paper we want to call your attention to the greetings which are extended from your local businessmen in appreciation of the valued patronage which you have given them during the past year. Let us assure you that these greetings are not mere words on paper, but truly express the real thoughts of the signers.

There are still two days to complete your Christmas shopping. Why waste time, energy and money shopping during those two days out of town? Prove to yourself that Truckee merchants are offering holiday values worthy of more than passing note.

It becomes more and more evident that Truckee and the surrounding region will "enjoy" a dark Christmas. While prospects for snow have come and gone, skies remain clear, barometers are up, days are balmy and all signs would lead us to assume that for Christmas, at least, we will have sunshine on dry ground.

At this season of the year it becomes a very difficult matter to pound out a column. Our thoughts, like yours, are centered on the coming Christmas holiday, with all its good will and high spirits and to ask one to concentrate on even so simple a duty is demanding too much. We ask you, then, simply to bear with us and accept our heartiest best wishes for a happy Christmas and a New Year filled with joys. And may we all be thankful that we are allowed to keep what we have—a great free country, the right of happiness and privileges exceeding those of any other people on earth.

We might add that we are also thankful that Christmas again this year falls on the 25th of December.

TRUCKEE POST OFFICE TO REMAIN OPEN ALL DAY ON SATURDAY

Due to the rush of the Christmas season, the Truckee Post Office will remain open all day Saturday, according to Postmaster E. C. Bavie. As a rule the local post office remains open only until noon on Saturdays.

Mrs. Bavie also reminded those who plan to mail gifts and have not yet done so that there are only two more mailing days until Christmas.

H & W Club of Meeks Bay Holds Two Partys In Week

by MRS. LEE GARNER
MECKS BAY, Dec. 21—The H&W Philanthropic club Tuesday enjoyed its annual secret pal Christmas party here with Mr. and Mrs. Sim Brown officiating as hosts. Following a brief business meeting the distribution of presents from the attractive tree occupied the time. Bingo was played with Mrs. Cecil Bowman and Jay Schumacker winning high and Mrs. Schumacker and Lee Garner getting consolation tokens.

At the next meeting, with Mr. and Mrs. Charles Heller as hosts, officers for the year will be elected.

The club's annual parcel post party was held Saturday with a large attendance. The curiosity shop was a center of attraction, featuring items 500 years old. Both the fish pond and the post office proved a source of enjoyment to those present. A table of Bingo topped off the evening with Miss Florence Vernon and Floyd Carnell winning top honors and Jay Schumacker and Mrs. C. W. Vernon winning the low score prizes.

Leonard D. Morrison and F. R. Perry are two local men who have taken recent delivery of automobiles according to an announcement of H. A. Wittich, Colfax Ford dealer.

Outing Club To Arrange Meets For Ski Season

Visits To Other Centers Are Planned By Local Ski Group

At the meeting of the Truckee Outing Club held Tuesday night a tentative program for the winter was scheduled, dependent upon snow conditions, reports R. C. Bowers, assistant publicity director for the club.

The program for the local snow field includes:
Jan. 21: Invitational junior ski meet, including C and D jumping downhill and slalom.
Jan. 27-28: Jumping exhibitions off the Truckee scaffold.

Feb. 5: Novice meet for Truckee people who have never before entered a ski meet.
Feb. 18: Girls' ski tournament.
Feb. 25: The club will apply to the state ski federation for a sanction meet on this date to include A, B, C and D jumping, downhill and slalom.

March 8-9: The club will lend its facilities and aid to the Meadow Lake Union High School student body when they will be host to the California Inter-scholastic Federation's championship meets to be held here.

The club also plans to send contestants to the following meets:
Dec. 31: Lake Tahoe.
Jan. 14: Mount Lassen.
Feb. 3: Cisco.

Feb. 11: State jumping championships meet at Cisco.
Feb. 17-18: Mount Shasta.
March 3: Lake Tahoe.
March 8-9: State downhill and slalom championships in Yosemite National Park.

March 17: Old time ski race at Johnsville.
May 8: Summer ski tournament in Lassen National Park.

This is the most ambitious and complete program outlined by the club in many seasons and if the snow conditions will permit, the club is ready to follow out the program as per schedule.

The next meeting of the organization will be held Tuesday evening December 26, at 7:30 in the Truckee fire house.

Joan Ghirard Celebrates 7th Birthday With Party

Joan Ghirard entertained ten guests at a birthday party given at the home of her parents, Mr. and Mrs. A. Ghirard on Thursday, December 14th.

A Christmas scene, with a tiny tree, reindeer and Santa Claus, centered the dining table. The birthday cake, which also carried the colors of red and green used in the appointments, supported seven candles, one for each year. Games claimed the attention of the children during the afternoon.

Guests included Marlene Mahne, Charlotte Gates, Janice Foster, Marsha Weeks, Lois Harris, Nancy Lee Wilson, Viola Anderson, Patty Barwick, Miriam Miser and Eileen Austin.

Death Takes Earl Yeager—

Word was received here on the death of Earl Yeager, 53, at Sacramento December 12. He was a former Truckee resident and a member of Boca Tunnel and Construction Workers' Local 402. Yeager was a native of Ohio.

LIONS, GUESTS ENJOY ANNUAL CHRISTMAS PARTY AT MEETING

With 27 members and seven guests present, the Truckee Lions club last night staged its annual Christmas party at the California Cafe with gaiety and song climaxed by the distribution of presents from Santa Claus, ably portrayed by Ben Tonini. Candy was disbursed by Raitt Boren of the Shell Oil company while W. M. Englehart, Sr., presented each member with an Acme Beer salt and pepper shaker, augmented Santa's gifts supplied by Harry Landsberg of Hobart Mills.

A beautifully decorated Christmas tree, representing part of the work of the committee headed by A. P. Leitch and aided by W. M. Englehart, Jr., Verne Shattuck, Boren and Englehart, Sr., held the spot light.

Guests on the occasion were Vernon Stoll, president of the Grass Valley club, Harry Landsberg, Vernon Nelson, Yell Nobles, Douglas Barrett and Peter Wenzel and Herbert Bruck of Donner Lake resort.

At the next meeting Prof. George Hinkle of Tahoe City, instructor in a San Francisco college, will speak on "Dictators." He will be the guest of Norman Mayfield, program chairman.

DONNER THEATER WILL GIVE FREE SHOW FOR CHILDREN OF THE AREA

Verne Shattuck, owner of the Donner Theater, has announced that he is giving a free Christmas theater party to children of the Truckee and Lake Tahoe grammar schools Saturday evening, December 23. The feature will be "The Jones Family in Hollywood" and a Walt Disney Review.

The children of grammar age will be the guests of the well-known local theater man at the regular Saturday evening performance at 7:15 and will have the pleasure of seeing a famous Walt Disney featurette as well as one of the equally famous Jones family stories which are excellent entertainment for young and old.

The management of the Donner Theater is making this generous gesture as a means of wishing everyone in the Truckee-Tahoe region a Merry Christmas.

Eastern Star Holds Xmas Party in Tuesday Meeting

The Order of Eastern Star, Lodge No. 116, of Truckee held a Christmas party at their meeting Tuesday night.

Following the singing of carols, a Christmas play entitled "Passing the Buck" was presented. The cast included Clara Greene, Hannah Stewart, Henrietta Weeks and Naomi Hursey. Mrs. W. F. Wilkie, Sr., won the prize for the musical guessing game.

The banquet room was decorated in silver and green, following the holiday motif. Supper, followed by the presentation of descriptive presents to the members by Santa Claus, highlighted the evening's entertainment.

The committee in charge of the affair included Elizabeth C. Bavie, worthy matron, Leona Bowen, Clara Greene and Naomi Hursey.

Away For Holiday—

Mr. and Mrs. Raitt Boren and children plan to leave tomorrow to spend the holiday with relatives and friends in Palo Alto and Burlingame.

Precipitation In This District Is Under Normal

All Storms Diverted North Local Forest Man Advises

According to District Ranger H. I. Snider, only .05 inches of moisture was precipitated by the brief snow flurry here Tuesday night and Wednesday morning. This brings the total up to 5.52 inches since September 1 of this year.

Snider said that if no precipitation is recorded between now and January 1, 1940, the season will end 1.61 inches below normal.

The northerly turn of the Japanese current is cited as the cause of the light snow fall by the ranger. He said that all storms in the local area are motivated by the current off the coast. While many prospective storms have appeared, they seem to have been diverted north from this area.

FOUR ACCIDENTS MAR WEEK END NEAR HERE

Four accidents marred the week-end travel in this district, according to officers of the state highway patrol.

Most serious accident was at Boca caused by the icy road and involving three cars. Mrs. Lillian Rossi, 45, Manor, Cal., suffered a serious head injury and her daughter was shaken up when their car, traveling west, skidded and collided with two other machines, occupants of which escaped without more than minor injuries. Mrs. Rossi was taken to the Sisters' Hospital in Sacramento by the Laity ambulance.

The other cars, unable to avoid the collision with the skidding Rossi machine, were driven by W. C. Owens of Reno and J. M. Worrell of Alameda.

Mrs. A. R. Sturgill, 33, Norden, suffered a minor eye injury when the car in which she was riding near here was wrecked. Her daughter, Marie, 13, escaped without injury.

A car said by officers to have been driven by Myron L. Lewallen of Oakland with a young married couple as passengers was wrecked near the Tahoe-Truckee wye without serious injury to the occupants.

Dale A. Donahoe of Lincoln escaped serious injury Sunday when his car was wrecked near Kingsvale.

Home For Holidays—

Miss Dorothy Snider will return home Friday to spend the holidays with her parents, Mr. and Mrs. H. I. Snider, here. She is a student at the University of Nevada in Reno.

Foreman Ill—

George Carson, foreman of the water service of the Southern Pacific here, is reported ill in the company's hospital in San Francisco. Everett Parker is taking over Carson's duties during his illness.

The Truckee Chamber of Commerce will not meet either next Monday or the following week since the meeting days fall on Christmas and New Years Day respectively. The next session of the chamber will be on January 8.

Chester Elliot was burned about the face and arms last week by the explosion of a stove he was repairing at Loyaltown.

Incorporation Petitions Being Circulated Met With Signatures For Election

Petitions asking the Nevada county supervisors to call an election to determine whether or not Truckee shall become an incorporated area, privileged to receive the benefits accorded a political subdivision, were being circulated by F. S. Powell in behalf of the chamber of commerce this week.

Powell reports that he is meeting with unexpected success and that there is little doubt that the required number of property owners will sign the document and thus assure the election.

The petition must bear the signatures of 25 per cent of the registered voters representing 25 per cent of the property to be included in the area.

CAP CARTER'S BAND RETAINED BY CLUB FOR DEC. 31st DANCE

The Truckee Rotary club dance scheduled for the evening of December 31 in the Masonic Hall, is rapidly being whipped into shape.

This dance is motivated by the desire to celebrate the passing of the old year which, in many respects has been one of the most remarkable of this generation. Then, too, it is a celebration of the birth of the New Year, 1940, which promises to be still more remarkable than its aged predecessor.

The club has engaged Cap Carter and his band for the occasion.

For the New Year event in Truckee many new arrangements will be presented in the Carter style. The band is made up of musicians who are all artists in their own rights.

Pythian Sisters Elect Officers For 1940 Term

Members of Summit Temple No. 79 Pythian Sisters, held an election last Thursday evening.

Mrs. Frank Gainnie was elected excellent chief; Mrs. A. Polyanich past chief; Mrs. William Englehart, Sr., excellent senior; Mrs. N. F. Dolley, excellent junior; Mrs. James Garibaldi, manager; Mrs. Benjamin Tonini, protector; Mrs. Robert Tonini, outer guard; Mrs. William Englehart, Jr., mistress of records and correspondence and Mrs. George Pace mistress of finance.

Installation of officers will be held on the first Thursday evening in January and all brothers and sisters of the lodge have been requested to attend the ceremony.

In Bay Region—

Mr. and Mrs. Anton Filipovic are vacationing in the bay region for a few days.

Boulder Dam Trip—

Mr. and Mrs. J. B. Maxsom have returned from a vacation trip which took them to Boulder Dam, Death Valley and other points of interest.

Miss Mary Keetch arrived Saturday from the University of Redlands to spend the Christmas vacation with her parents, Rev. and Mrs. G. J. E. Keetch. Her sister, Lois, will join the family this weekend when her classes are recessed.

Party Planned At School For Yule Season Tonight

Santa To Make His Official Visit At Grammar School

The community Christmas party to be held in the grammar school auditorium at 7:15 this evening gives promise to be a gala affair for the grown-ups as well as for the 170 children who are expected to be in attendance.

Mrs. William Englehart, Jr., is chairman of arrangements and is assisted by members of various local organizations and lodges.

The program for this evening is to open with "The Christmas Festival Overture" by Labitzky, played by a special orchestra made up of Verna Pearson, Yvonne Joseph, Jimmie Leamon, Anna Schmidt and Kenneth Foster. A trio of the Misses Pearson, Joseph and Dorothy Barrett will then play "The Dream of the Shepherdess" by deLamater. Next on the program will be two songs by the school singers, followed with a recitation by Betty Bick.

Other highlights of the program will be a musical play by the intermediate grades, a choral song by the upper grades, a reading by Frank Gaiennie and a skit by the Truckee Lions Club.

The public is invited and preparations have been made for each child to receive a gift directly from Santa Claus.

Simple Observances of Holy Birth Date Planned Here

Simple services are planned by both local churches for the observance of Christmas. No elaborate, pompous exhibitions will be given but sincere observances are planned by Rev. G. J. E. Keetch and Father William Daly in their respective edifices on Church street.

CATHOLIC CHURCH

High Mass will be celebrated in the Catholic church by Father Daly just once, at 9 a. m., on Monday morning.

The Catholic service will be supplemented by choral singing and special music under the direction of Miss Anne Giovannoni, organist. The choir will include people from both Tahoe City and Truckee.

COMMUNITY CHURCH

The Community Church and Sunday school will have a Christmas Eve service Sunday evening at 7:30. By song, scripture reading and tableaux the story of the first Christmas will be brought to mind anew.

All are cordially invited to attend either service.

Big Chief Camp Man Kills 575 Pound Bear This Week

C. A. Tollefson, operator of Big Chief camp, takes pride in having killed the biggest bear seen in this region in several years.

With his 15-year-old son and his son-in-law, Sterling Ralphs, Tollefson found a 575 pound bruin in a hollow tree at Silver Peak near his camp. Five shots were required to still the big animal, whose hide measured ten feet long when stretched.

The hunters had trailed the bear for several days and finally a dog smelled out the giant in his winter quarters inside the tree.

MERRY CHRISTMAS

Once more "Merry Christmas!", the cheeriest greeting in the world, the oldest greeting and the only greeting spoken in every language in civilization, becomes the watchword of the year's happiest day. But this year, for all America, the phrase could connote a solemn sense of gratitude to providence that this nation, in a world of war-torn, suffering and bewildered peoples, is at peace. "Merry Christmas" must sound as a cry of mockery in stricken Finland, and among the broken people of Czechoslovakia and Poland. Hardly, were she alive, could that great artist, Schumann-Heink, sing gloriously of "silent night, holy night"—save on this continent! The song would seem indeed a mockery in lands where the nights are hells of bursting bombs, flaming towns and screaming wounded.

Yet while Christmas cannot be merry in many bruised quarters of the world, its message is all the more poignantly forceful this year. Some day all mankind will know that a Merry Christmas is possible only where the ideal of Him whose birth is celebrated is dominant: "Peace on earth, good will toward men." Here in America, in imperfect human fashion, that ideal is honored. Here men differ, and here—as in all places at all times—life is far from perfect. But here no one cringes at a knock at the door—fearing secret police. Here there is no dread of the killing of children from the air nor the bayoneting of men because of their race or opinions. And for that freedom and peace America's "Merry Christmas!" this December of 1939 should be most genuine, even in the humblest home.

ENDING SPENDING

Two score citizens summoned to the Governor's Del Monte conference, laid down the one policy that can stop reckless spending of tax money.

The purpose of the special session is to impose new taxes and intends. The purpose of the conference was to smooth the way for the raid.

The conference was offered a program which would add about 25 millions to present taxes on business, including water, light and transportation, and would raise 12 to 15 millions from excise on tobacco, amusements and the like.

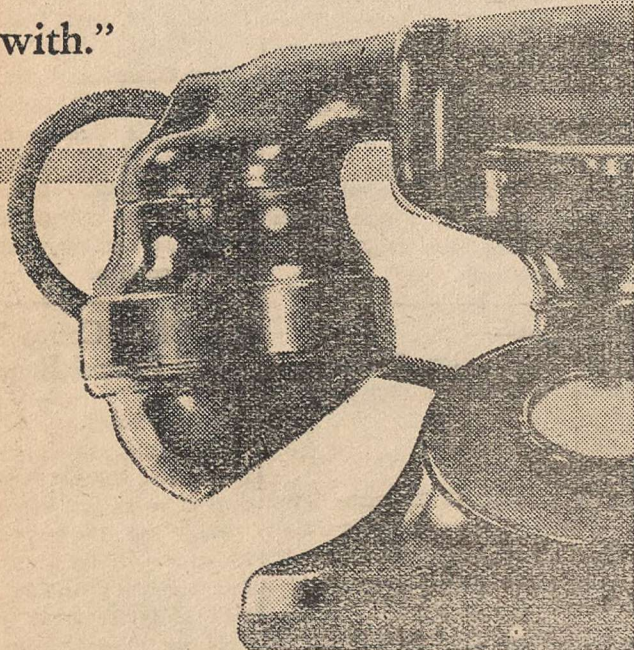

That is, the big taxpayers in the conference were promised that if they would submit to 25 millions and get behind the program, they would not be nicked for the whole bill.

The big taxpayers refused to take the bait. They served notice they intend to investigate the expenditures and resist every attempt to load on new taxes.

How far the revolt will succeed remains to be seen. At least it serves notice that the people know that the emergency tax of today becomes the permanent tax of tomorrow and that the tax spenders will keep on exploring every road to "emergency" revenue. The only way to stop the spending is to refuse to supply the money.

It is suicide for politicians to stop spending once they start. But it is murder for taxpayers to keep it up.

Politically Speaking

by JOHN W. DUNLAP
United Press Staff Correspondent

SACRAMENTO, Dec. 21 (UP)—On the basis of December prospects, Hiram Johnson would be a good choice to succeed himself as United States Senator.

Obviously, many things can happen before the primaries in 1940. But it is undeniable the picture changed drastically when John Anson Ford, the well-known Los Angeles county supervisor, tossed his hat in the ring for the Democratic nomination.

Up until Ford's unexpected entry, it was a two-hoss race between veteran Johnson and politically ambitious Ellis Ellwood Patterson, the Democratic lieutenant governor. Patterson has been beating the bushes for months in behalf of his candidacy and figured to give Republican Johnson a run for the Democratic nomination.

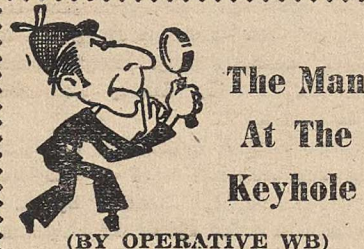

Patterson Is Weakened

Now that Ford is out for Democratic votes, Patterson may find his strength divided. Ford is likely to appeal to the conservative element of the party in addition to the Southern California vote. He has five years of substantial publicity as a county supervisor in Los Angeles, whereas Patterson moved his legal residence there only a few months ago.

Ford announced his candidacy shortly after Johnson left Los Angeles. Hundreds of politicians streamed into the hotel headquarters of politically-wise Johnson as he laid the groundwork for his campaign. It is likely Johnson will confine himself, as usual, to a few well-chosen and spell-binding speeches during the campaign. For one thing, he has to hustle right back to Washington and will be pretty busy right up to election time.

Johnson Strong Favorite

With Ford and Patterson splitting the Bourbons, it would be a pretty safe prediction that Johnson will be favored to win both nominations at the primary. He always does and

There's some fast footwork going on these days in Ham & Eggs headquarters. Apparently seeking a new battle-cry to bring in new converts, the Ham and Eggs devote several pages in the current issue of their publication to the evils of Demon Rum. There's a broad intimation in all this that the Anti-Saloon League and the pension movement have joined hands for next year's battles and will swap votes as well as compliments.

Garner and Dewey Lead the Field
Top men, at the moment, in the presidential sweepstakes, according to the public opinion polls, are: John Nance Garner, the "evil old man" from Texas, who heads the list of Democratic aspirants, and Thomas Dewey of New York, the 37-year-old "fighting prosecutor," who has played hob with Tammany and gangsters. Mr. Dewey's keynote oration got a good press and his stock soared several points ahead of other G. O. P. contenders.

Johnson Seen In Recall Election
State Treasurer Charles G. "Handsome Gus" Johnson, our spy advises, is out copping off some of the support that Railroad Commissioner Ray Riley has banked on having in case the Olson recall qualifies. Mr. Johnson, while tacitly opposed to the recall, admits he might be "drafted" as Mr. Olson's successor. Mr. Riley, less bashful, is already an active candidate.

his supporters believe he will do it again.

Being a Los Angeles county supervisor put a man in big business. The county spends about \$200,000,000 a year and embraces 2,500,000 population, 43 per cent of the state's population. There are several dozen states which have less business and population than Los Angeles county

Ford is 56 and formerly was in Washington, D. C., with the departments of labor and agriculture. He ignored Patterson in his campaign announcement, declaring only that he wanted to succeed Johnson "who has stubbornly opposed measure proposed by President Roosevelt." Ford

Woodcutter Is Granted U. S. Citizenship in Court

TAHOE CITY, Dec. 21— Pedro Equinoa, long a hard working, conscientious wood cutter in the Lake Tahoe region, Saturday received just about the biggest thrill of his life when he appeared in an Auburn court and was given his final American citizenship papers.

Equinoa has made and lost several small fortunes while living in this country, his last savings being swept away with the Franco victory in the Spanish civil war. Pedro is the owner of a small home in the Bittencourt tract and is honored and respected by all his neighbors and many friends of the region as a hard worker and excellent character.

Tahoe School News

Preparations for a Christmas play and entertainment are now complete for tonight's performance. The chief attraction in the primary grade room this week is a small silver tip fir which has been decorated by the children with Snow White and the seven dwarfs and Santa and his reindeer made by the younger children. Two fine drawings by pupils will be on display.

Tonight's performance will open with a welcoming recitation by Janice Brodehl. Other features will be a solo on the 'cello entitled "A Song" composed by Hugo Schlemmiller and given by Robert Edwards, three selections by the school orchestra, specialty acts by Dick Hinkle, Jimmie Swanson and Paul and Joe White. The primary grades will give a skit "The Three Little Kittens" and the elementary grades offer "Christmas on the Grassville Limited." Santa will distribute candy and nuts to the youngsters from the tree in the hall following the entertainment.

The San Francisco Chronicle played host at a free show at the Tahoe Lake school auditorium Wednesday afternoon. The movie shown was "One Hundred Years of Baseball."

Miss Geraldine Frescoln, niece of Mrs. and Mrs. J. C. Lewis of the Tahoe fish hatchery, who arrived over a month ago to attend school here and to reside with the Lewis family, left this week for San Francisco where she will attend a private school as an art major after the first of the year.

Mrs. Bliss Hinkle, Tahoe high school principal, will accompany her husband when he returns to San Francisco and his classes in January.

Miss Joyce Palmer, high school student, has left school here to accompany her family to their winter home in Pasadena.

High school students postponed their school dance Friday night and attended the ski club meeting at the community hall.

Otto Fox of Auburn was at Tahoe Saturday giving individual music instruction and holding orchestra practice.

Final examinations were given last week in the elementary grades and while a report is not available at this time, Mrs. Myrtle Gallinger, the principal, believes all passed successfully.

Mrs. Gallinger this week announced receipt of a letter from Vernon McCann of the Auburn Lions club in which he extended a cordial invitation to the children of the local school to attend a special show at the State theater last Friday. While it was impossible for the local group to accept the invitation, it was appreciated nevertheless.

An innovation this year is the outdoor Christmas tree, decorated with pieces of suet and bread crusts which will form a feast for many birds that still inhabit the Tahoe region in the mild winter months.

There was a special trustee meeting held Monday night in town to attend to regular business affairs of the district.

Car Wrecks on Concrete Bridge North of Tahoe

TAHOE CITY, Dec. 21— A car owned by a family named Torney and driven by a boy whose identity was not revealed, Sunday was wrecked near the concrete bridge that crosses the Truckee river seven miles northwest of Tahoe City. None of the six occupants, all boys, were believed to have been injured. The group was en route to the Torney home here for the holidays.

The driver told Patrolman Gene Walker that the car skidded while rounding the turn and struck the concrete railing.

Tahoe Ski Club Attracts Large Crowd to Meeting

TAHOE CITY, Dec. 21—Close to 75 people were present Friday evening at the regular ski club meeting in the community hall. Mrs. A. M. Henry was appointed to fill the position of secretary during the absence of Mrs. Phoebe Darlin who left for the bay region Wednesday for a few weeks stay.

A motion was made and accepted to permit the resignation of Dave Renner, former Tahoe skier, from the club. Renner is now a member of the Truckee Outing Club. Sincere regrets were voiced at losing such a valuable contestant.

The following skiers have registered for this winter's competition: Walter Mandeville, A class; Billie Bechdolt, C class; Blake Goss, C class; Dick Carnell, D class; Pete Vanni, D class; Al Henry, Jr., B class; and Patsy Henry and Helen Worden, cross country, downhill and slalom.

Mrs. Sam Goss was hostess for the evening, serving cakes and coffee and cold drinks. Cards were enjoyed following refreshments. Special guest at the meeting was Brother Albert of Saint Mary's college of Moraga valley.

The next regular meeting will be Friday evening, Dec. 22.

Miss Elaine Edwards Marks Fifth Birthday With Party

TAHOE CITY, Dec. 21— Miss Elaine Edwards, daughter of Mr. and Mrs. Tejas Edwards of the Tahoe fish hatchery, Saturday celebrated her fifth birthday with a party for a group of friends at her mother's home north of town.

Mrs. Edwards made a miniature Christmas village with snowy trees, little men, houses and churches for the centerpiece. Each boy found a bean bag at his place at the table and each girl received a doll. Ice cream and cake were served following an afternoon of games.

Guests included Ann Marie Hull, Shirley and Rae Pyle, Peggy and Ned Stewart, J. T. Edley, Jr., Dallas Moore, Dorine and Jerry Quam, Bob Freese, Janice Brodehl and Robert Edwards.

Tahoe highways are lively with traffic over the week ends, many cars carrying skis and toboggans in search of snow. Light patches under trees and in isolated spots are not adequate for skiing.

Mrs. Truman Suddeth is Honoree at Tea Party

TAHOE CITY, Dec. 21— Mrs. Ruth Mayfield entertained a dozen or more Tahoe City ladies at her home Saturday at a tea honoring Mrs. Truman Suddeth, the former Muriel Howrigan and formerly of Tahoe City who is visiting her daughter, Mrs. Martin Spitsen of Bittencourt tract.

Mrs. Spitsen was returned home from the Reno hospital last Saturday with her infant daughter, Joanne Virginia, born November 30. The baby is reported doing nicely but the mother is suffering from a bad cold.

Mrs. Suddeth, accompanied by Mr.

Truckee Journalism To 1883

EDITOR'S NOTE: The following another in a series of excerpts from C. F. Edwards' "Tourist Guide and Directory of the Truckee Basin," has to do with the brief history of journalism in Truckee from 1869 to the publication date of the book, 1883.

In 1869 the first paper in Truckee was started by N. W. Ferguson, and

Tahoe News Briefs

Mrs. A. M. Henry, secretary of the Tahoe zoning commission, said that property owners in the affected Tahoe City area are responding well with their share of the zoning expense money. The board of directors set a .024% assessment on real property as an equitable rate of adjustment.

Red Cross donations and memberships continue to come in with the total Monday \$136. Mrs. Elizabeth Walker of Truckee river being the latest to send in a generous check. Tahoe's quota, now far ahead of any other previous year, is not only more than 100 per cent over the top but even ahead of the town of Colfax which has a far larger population. Mrs. Walker also purchased a large quantity of woolen yarn with which Tahoe ladies knitted sweaters for war refugees.

Mr. and Mrs. Victor Wikander of Oakland are at Tahoe spending the holidays. They are the St. Sure home near the Tavern where they expect the St. Sure family for the holidays. The Fred Kilners of Homewood this week write the Otto Darlins of the erection of a business building on the main street of Laguna Beach which they purchased last year. The Kilners are spending the winter at Laguna Beach.

The C. O. Valentines have returned to Los Angeles where they will take up winter quarters following a tour of Mexico.

Mr. and Mrs. Otto Darlin and son, Larry, left Tahoe Wednesday for Oakland where they have taken an apartment for a month. Mrs. Darlin annually spends the holidays with her mother, Mrs. Pearl Brown of Berkeley, and other members of her family.

Gene and Bud Walker, Al Henry, Jr., James Worden, Carl Bechdolt

Transcript, became the proprietor who conducted the paper until Dec. 1880, when J. J. Weisenburger purchased it, and later formed a partnership, the firm being Weisenburger & Porter, who continued until the fire of Aug. 2, 1881, swept the office away. On Aug. 20, publication was again resumed, John Keiser becoming owner of the office, and W. F. Edwards being the editor and manager, which regime still continues.—by W. F. EDWARDS

Gavin Summer Home Looted Of Valuables

TAHOE CITY, Dec. 21—When Paul Gavin of Reno motored to his vacation home on Truckee river on Saturday it was with the intention of seeing that the place was securely closed for the coming winter months and to inspect the premises. He was not prepared for the shock he got upon his arrival.

The place had been forcibly entered during his absence in Reno and stolen articles were loaded on a truck and carried away at leisure.

The things taken included a 9x12 rug, an electric waffle iron, towels and linen, electric refrigerator, oil heater, two floor lamps, one bed lamp, one boudoir lamp, one table lamp, a large chair and footstool, a radio, a coffee pot, bed covers and blankets, cigaret boxes and some old clothes.

Gavin immediately contacted Officer F. E. Walker and secured both tire prints and finger prints from the premises. Aside from these, no other clues have been unearthed. An extensive investigation is now under way.

The robbery was easily accomplished as the house sets back far from the highway, across the creek and access was made easier as no caretaker was hired on the premises. By leaving after dark, with traffic dur-

Jr., and Officer E. P. McCann. Truckee Monday went to the snowy slopes of Mt. Rose to initiate McCann to the old Scandinavian sport of skiing. The group took movies and still shots and brought back information as to snow conditions in the Nevada mountains.

Jack Starratt Anderson is now employed by J. C. Penny Co. in Flagstaff, Ariz., where is selling ski equipment. He is also running a food concession in the Snow Bowl on Mt. San Francisco.

Mr. and Mrs. Craig Grover and daughter departed from Tahoe Friday for Los Angeles where they will make their home for the winter.

Mr. and Mrs. Howard Johnston of Pinecrest left last week to spend the winter traveling in the United States and Mexico.

Prof. Henry Hinkle of Bittencourt tract is home from San Francisco for the holidays. Misses Sue and Marilyn Hinkle will join the family for the holidays when classes at University of California are recessed.

For old Jude Pluvius to send forth much needed snowfall for this Sierra region as a Christmas present would gladden the hearts of all snow sports followers and those who have expended a great deal of money and time to meet the demands of the skiers. Conservative estimates say that \$200,000 has been spent in this immediate area. To awaken Christmas morning with three feet or more of snow would be a gift to all concerned that would be difficult to describe in satisfaction and pleasure.

The Van Evers warming hut, lunch room and hotel, on the slope south of Soda Springs Hotel, is now open and ready to meet the snow crowds. The operating staff includes John Backerich, superintendent of operations, and Kirby Schull as an assistant. Both are residents of Tunnel 6.

Mr. and Mrs. Buford Holder returned Monday to their home in Norden after visiting their son, Oran, who is critically ill in the Stanford hospital in San Francisco.

After seven years of active life in the social set of Norden, Albert J. Armbruster plans to leave on or about the first of the year to reside in Roseville on account of ill health. Mr. and Mrs. William Armbruster left Norden last week for Dietz, Ore., where he will be in the employ of the Southern Pacific. Replacing A. J. Armbruster here is Vern Whitten of Truckee who will move here shortly with his family.

In observance of his birthday, John L. Carl entertained a group of friends at a dinner party at Donner Ski Trail Lodge last Saturday evening.

The opening of Slater's Ski Lodge recently was well attended and every form of amusement and entertainment was furnished those in attendance.

Latest word from the Southern Pacific Hospital in San Francisco relative to the condition of Frederick M. Johnson, recently injured near Troy, is to the effect that he is doing as well as can be expected at this time.

Alexander Ogilvie made a quick business trip out of town last week-end.

May this Christmas season bless you and yours with all good things in life; may success, happiness and health be ours in full measure.

ters? Most departments have a pet proposition they'd like to toss in the hopper.

Although it was considered quite dead by most observers, the Central valley power bill still has about a 50-50 chance, declares Director of Public Works Frank W. Clark. Chief stumbling block is the private Central Valley Project association, which opposed the administration bill at the last legislature.

Central Valley Fight Starts

All interested groups will meet here on Dec. 21 to talk over the situation. Clark will meet in advance with federal bureau of reclamation officials. Should some agreement seem in the offing, Olson might conceivably postpone a definite decision on the program past Dec. 20, the date he promised to set the date and contents of the special session.

The Central Valley bill would precipitate a long controversy in a session that already promises to be a hot potato if it includes pensions, reorganization, relief, old age liens, and minor proposals.

Democratic Doom Foretold?

Republican wits rubbed their hands gleefully when a big black buzzard struck a wire and landed in Capitol park. They even quipped that it was headed for the governor's office. It was finally shoed into the arms of a humane officer and carted away.

TWO NON-CITIZENS VOTE FOR OVER HALF CENTURY IN SACRAMENTO COUNTY

SACRAMENTO, Dec. 21—(UP)—Two Sacramento county residents have been voting for 59 and 47 years respectively have just been granted citizenship.

Charles Koons, 82, Rio Linda, cast his first ballot for James A. Garfield for president in 1880 and Mrs. Florence Carmichael, 71, of Sacramento, voted for Grover Cleveland in 1892.

Each explained the years of illegal voted were the result of a misunderstanding. Koons, born in Germany, said he had assumed he became a citizen when his father was naturalized, but records show he was 22 years old when the final papers were granted. Mrs. Carmichael, a native of Canada, said she married a man whom she assumed was a naturalized citizen but later discovered he had only his first papers.

FOREST FIRE DAMAGE IN CALIFORNIA THIS YEAR IS DOUBLE AMOUNT OF 1938

SACRAMENTO, Dec. 17 —(UP)—California forest fires caused damage of almost one dollar per acre during 1939, it was revealed by State Forester M. B. Pratt.

For the first 11 months of the year fires in 32 counties under the state forestry service had burned 501,141 acres with damage estimated at \$483,716. This was double the 1938 acreage of 226,623 and damage of \$286,712 and eight times the 1937 total of 64,370 acres and \$78,239 damage.

Fire hazard conditions were unchanged during November from October although the acreage was less.

CONGRESS HEARS VIEWS ON FORESTRY PROBLEMS

SAN FRANCISCO, Dec. 21—(RNS)—Timbermen, livestock raisers, agricultural experts and conservation proponents aired their views here at a hearing by the joint congressional committee on forestry authorized to make a nation-wide survey of "the present and prospective situation with respect to the forest land

of the United States." Among the policies advocated at the two-day hearing were:

Placing of all forest land under a definite forest management, with acquisition of private land where private ownership is not feasible.

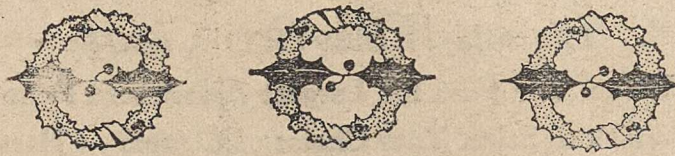

Opposition to transfer of the U. S. Forest Service from the Department of Agriculture to Department of the Interior.
